

REHOMING & SURRENDERING

Rehoming/surrendering a pet is a difficult decision, but sometimes situations arise that make it seem like the only choice. Because you love your pet, our first solution is to provide you with resources you can use to keep your family together.

WE CAN HELP YOU

- ✓ Pet food assistance
- ✓ Dog training resources
- ✓ Affordable vet care

We do our best to find new, loving homes for animals turned over to the shelter. If you wish to surrender your pet, you will need to fill out a Surrender Form to help us quickly assess the animal and determine what type of home will be the best fit.

Surrender Fees Cat: \$25 | Dog: \$58
